

HOLDS THE FIRE.

It is a great satisfaction to own a heating stove that will hold the fire all night with any kind of fuel. The genuine Round Oak will do it and keep on doing it as long as you run it. There are no seams or joints to open after a winter's use. It is tight and no amount of use can affect its fire-holding qualities. It will pay you to see it. The genuine has the name on the leg and door.

We are Also Back in the Old Stand with a complete line of Buggies, Surreys, Road Wagons, Hacks and Mitchell Wagons, and Buggy Harness and **IMPLEMENTS.**

Also Hardware, Stoves and Ranges. The largest and best assortment of new heating stoves in the town at the lowest prices. Look around, then get our prices and be convinced.

About Rheumatism.

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by A. R. Kane, druggist.

Rheumatic Pains Quickly Relieved.

The excruciating pains characteristic of rheumatism and sciatica are quickly relieved by applying Chamberlain's Pain Balm. The great pain relieving power of the liniment has been the surprise and delight of thousands of sufferers. The quick relief from pain which it affords is alone worth many times its cost. For sale by A. R. Kane.
